

The inner red line represents the actual card holder size.
Please ensure you include bleed of 3mm all around.
Ensure design is suitable to allow for image shifting
by +/- 1.5mm tolerance due to the punching process

FRONT OF CARD

FRONT OF CARD

The inner red line represents the actual card holder size.
When you have placed your artwork correctly please
remove this red line before you produce the Hi-Res PDF
All text converted to outlines :: All images CMYK (300dpi minimum)
Gradients, Transparencies and Drop Shadows all flattened

PLEASE EXPORT ALL FILES AS HI-RES CMYK PDF

CONVERT ALL FONTS TO OUTLINES / CURVES - DO NOT INCLUDE ANY PANTONE COLOURS
